## ENVIRONMENTAL BOOT CAMP

JUNE 12, 2019

New to environmental compliance?

## WONDERING WHERE TO BEGIN?

ENVIRONMENTAL REGULATIONS AND  
BEST PRACTICES FOR COMPLIANCE

### ONE-DAY TRAINING SEMINAR

New to Environmental Compliance or  
just looking for a quick refresher?

Join our team of experienced environmental professionals to review the basics of good environmental compliance programs. We will spend time discussing how to determine the applicability of environmental regulations and assure you have compliant programs at your facility. It will be a great opportunity to have one-on-one assistance in regulatory areas where you have questions!
